Career Profile

I am a highly motivated and dedicated graduate with expertise in translating information in a visual way. As an organized and time managed graphic designer, I can creatively display and show case information through quality work. I have strong interpersonal skills, and my intuition enables me to perform in a fast and competitive design environment.

Professional Experience

I have designed logos, brochures, pamphlets, newsletters, cover letters, graphic standards manuals, and advertisements, which include billboards, newspaper ads, magazine ads and posters.
